

Heath Close, Old Heathfield Road, Heathfield, East Sussex, TN21 9BN.

12.ii.2022

Dear Mr. Scott,

Thank you for your contemptuous, dismissive, inaccurate and patronising letter of 21/10/2020.

You say that you have been corresponding for 40 years and “*During that time, we have spent a considerable amount of time and money responding to all your questions and demonstrating that there is no merit in the issues that you raise*”. You go on to invite me “*to direct your energies towards other, more productive endeavours*”. I received much the same advice in writing from Cllr. Major Goulden circa 9/3/1982. He preceded Cllr. Marriott Smith who told Albert Rutherford that a house on Lanesmead Farm TN21 9ED would cost him £10K. You were sent his affidavit.

40 + years ago your executive disregarded the rules. There was a “*failure to advise*”. Baroness Serota said so. I am inviting **you** to put things right.

You will recall that when Fairfax complained that Cllr. Kay Moss had allegedly disregarded the rules, you were at pains to put things right and provided them with another opportunity to achieve consent for 113 houses.

You will recall that the executives who demonstrated that there “*there was no merit in the issues that you raise*” and dismissed the planning complaints of 12 petitioners, were united in a previous cartel of corruption. Six officers had “*spent a considerable amount of ... money*” by charging their wives holiday accommodation to the ratepayer. Either they had not read the rules, or didn't understand what they meant, or they didn't think the rules applied to them. Which was it?

You will recall that when I asked for a solicitor certified copy of your Hospitality Register, my request was denied. In order to establish that there has been no disregard for the rules, would you please consider the enclosed image. Do you know either of the men and / or the location? If you are unable to help would you object to my putting the image on the internet in order to establish that neither of the individuals was an officer of WDC on Cyprus at a location close to a major asset under the control of any organisation associated with Fairfax?

Yours sincerely,

C M Hudson.
